

**REMARKS**

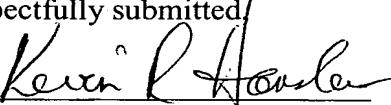

On January 3, 2007 and as part of their Response to Non-Final Office Action, applicants submitted a Substitute Specification, an amended Abstract, a New Sheet of Drawings, and Claims pages as directed by the Examiner. Applicants did not amend the claims but merely submitted the claims in the form requested by the Examiner.

The January 26, 2007, Notice of Non-Compliant Amendment directs applicants to provide the proper status identifier for each claim. To that end, applicants submit a Listing of the Claims setting forth that each claim remains as originally presented.

In view of this response, applicants now believe the pending application is in condition for allowance.

Dated: February 23, 2007

Respectfully submitted,
